

Bright Cross Animal Clinic
Pre-surgical Questionnaire
DENTAL

The staff at Bright Cross wants to make sure that you have peace of mind while your cat is here for surgery. While everyone realizes that there are some inherent risks to anesthetics, to minimize these risks please answer the following questions about your pet to insure your cat is given the most complete and BEST care possible.

Your Name: _____ *Pets Name:* _____
Phone number you can be reached at after surgery: _____

- | | <i>Yes</i> | <i>No</i> |
|--|--------------------------|--------------------------|
| 1. <i>Has your cat had anything to eat this morning?.....</i> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. <i>Does your cat have any health concerns that the doctor is not aware of?.....</i> | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. <i>Is your cat vaccinated for feline leukemia and rabies?.....</i>
<i>If No, please discuss with a member of our staff. _____</i> | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. <i>Is your cat currently on any medications?.....</i>
<i>If yes, please list: _____</i> | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. <i>To provide the most comprehensive prophylaxis, we recommend dental radiographs as root abscesses may go otherwise undetected.</i>
<i>Would you like x-rays done as a routine full set? Cost \$79.00....</i> <input type="checkbox"/>
<i>A partial set (only involved teeth)? Cost \$69.00.....</i> <input type="checkbox"/>
<i>Or, Not under any circumstances... ..</i> <input type="checkbox"/> | | |
| 6. <i>It is sometimes necessary to extract teeth depending on condition of roots and the tooth itself. Do you authorize extractions if the doctor feels it is medically necessary? Prices vary.....</i> | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. <i>Pain management will be required after surgery if extractions are needed. Includes medication to go home.....Cost \$51.00</i> | | |
| 8. <i>Would you like OraVet protective coating applied to teeth after cleaning? With regular applications at home, this decreases plaque build-up by 50%...Cost \$24.00.....</i> <input type="checkbox"/>
<i>OraVet take home kit.....Cost \$29.00.....</i> <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | <i>Accept</i> | <i>Decline</i> |
| 9. <i>Due to the risks that are present when undergoing anesthesia, we advise a pre-surgical blood screen to be run prior to surgery to detect conditions that may not be obvious clinically, but could effect your pet while under general anesthetic. Cost \$71.50.....</i> | <input type="checkbox"/> | <input type="checkbox"/> |
| 10. <i>I/D Chip an Registration with surgery – special \$40.00.....</i> | <input type="checkbox"/> | <input type="checkbox"/> |

For verification, please list all procedures to be done while your pet is here:

Please discuss any concerns or questions with our staff before leaving.
